

We have been very pleased with the State of Indiana's "no call" laws and find no need to change our state's definition. We ask that you rule against the attempt by the CBA to impose the federal "established business relationship" exemption on Indiana consumers. We DO NOT want Indiana's law weakened. We DO NOT want unwanted calls.

Thanks for the attention that you are giving this matter that is most important to those of us in the State's NO CALL LIST.
